To our valued customers

About the content of SVHC substances in our products

We would appreciate it if you would confirm our report on the content of SVHC 46 substances of the candidate list (issue date: 15.12.2010) in our products.

— NOTE —

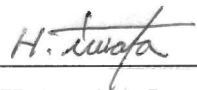

1) We confirm, based on the information/data and knowledge we possess, that we do have no products and packages containing 0.1wt% or more SVHC 38 substances of the candidate list (issue date: 18.6.2010) except the following products.

Products: PKM13EPY-40S2-B0, PKM13EPP-40S2-B0, and PKM13EPYH40S2-B0
Contained SVHC substance: Bis(2-ethylhexyl)phthalate) (DEHP) CASNo : 117-81-7
Application: product protect tape (used in the adhesive of the tape for dust prevention)

2) We are investigating the content situation of the added SVHC 8 substances.

We are scheduled to issue the official letter "About the content of SVHC 46 substances in our products" by February 10,2011.
